WRIT PETITION No.9259 of 1995

-

O R D E R:

Petitioners claim that they have worked as sanitary workers during the years 1980 to 1988 in Tirumala Tirupati Devasthanam for varying periods from 600 to 100 days during Brahmostavams and some other festivals and that the respondents had agreed to give preference to all those who had worked earlier and accordingly minutes were drawn on 19-09-1992. When the respondent was going ahead with filling up the posts of sanitary workers, sweepers and unit workers by recruiting the persons, who had not worked earlier, the present writ petition came to be filed.

This Court, by order in WPMP.No.11541 of 1995, dated 28-04-1995, directed that the petitioners be interviewed along with other candidates and that the results should not be released until further orders.

Respondent in his counter affidavit would submit that recruitment is to be made in accordance with the rules notified in G.O.Ms.No.1060, dated 24-10-1989, and that the petitioners are not entitled to seek declaration under various Government Orders since they are not working when these Government Orders came into force. Details of the service particulars of the petitioners herein is stated in the counter affidavit. It is contended that the petitioners herein had approached this Court nearly 8 to 10 years after their services were disengaged, that any discussion between the Unions and the management at different levels could not be said to be a decision, more so, when the Executive officer, who was the appointing authority had taken a final decision in this regard.

Sri V.V.Shastri, learned counsel appearing on behalf of Sri G.Dasaradharami Reddy, learned counsel for the petitioners, would place before this Court a copy of the proceedings of the Executive Officer, Tirumala Tirupati Devasthanam, dated 15-09-1997, whereunder vacant posts of multipurpose workers were filled up. From the said proceedings, it is seen that the matter pertaining to providing of jobs to the petitioners had been placed before the Board and in its resolution No.490, dated 10-09-1997, the Board had ratified and approved the selections made by the Executive Officer and accordingly about 14 persons were appointed as “Multipurpose Workers” in the existing vacancies of sanitary workers in Tirumala Tirupati Devasthanam. Learned counsel would submit that the first petitioner herein is among those who had been appointed as sanitary workers in the proceedings of the Executive Officer dated 15-09-1997, and in such view of the matter, no further orders are necessary in this writ petition.

Recording the said submission of the learned counsel that no further orders are necessary, the writ petition is accordingly dismissed. No order as to costs.
